Signed Confirmation to RoHS compliance

We confirm that all our products are manufactured without banned materials according to the requirements mentioned in

“RoHS 3 DIRECTIVE 2011/65/EU OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL”

and

“COMMISSION DELEGATED DIRECTIVE (EU) 2015/863 of 31 March 2015 amending Annex II to Directive 2011/65/EU of the European Parliament and of the Council as regards the list of restricted substances”

An exception is the module SM64-IO, which is already discontinued and only available on stock for special applications and for spare part requirements or as guarantee for older industry concern.
